Greider Tack Cloth™

The Right Choice for Aerospace. The Right Choice for You.

Product Name: G99™

Aerospace Certified: D6-1816, BAC5845

Base Fabric Material: (AMS/BMS Certified): 100% low lint biodegradable cotton

Tack formula: 100% Latex/Water-based; no special disposal needed

Special polymer available in varying levels of tack formulations

Available in white

Available in pieces of 18"x 36", 150-yard continuous rolls, and other Put-ups

Greider Tack Cloth™ – Latex/Water-based

No clean up jobs are more critical than those in the aerospace industry. And for the past 50 plus years, no product has helped this industry clean up better than AF&F latex/water-based Greider Tack Cloth™. These tack cloths provide the soft, oversized and pliable performance that is delicate enough to pick up the finest dust and lint – and tough enough to last.

Efficiency without Compromise

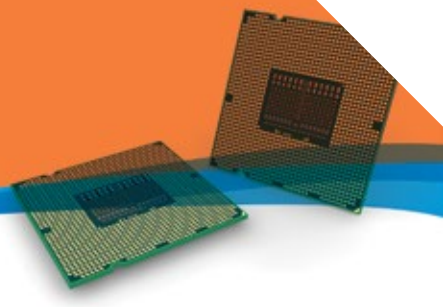
You want the best performance but you also want the best value and AF&F Greider Tack Cloths™ provide both in abundance. The deliver superior yet long-lasting performance from start to finish!

Engineered for the Perfect Finish

Starting with superior quality, highly absorbent certified cotton gauze or very low lint polyester cloth, we add our proprietary tack formulations to create Greider latex/water-based Tack Cloth – to stand up to your most crucial wiping applications. Our goal is the same as yours – a perfect finish every time. We've aimed at meeting this goal for nearly half a century: AF&F Greider Tack Cloth™ is perhaps the most highly-regarded product of its type available today.

American Fiber & Finishing

Greider Tack Cloth™



Greider Tack Cloth™ – Latex/Water-based

A Century of Leadership
Greider latex/water-based Tack Cloths come to you from AF&F, a company with more than 100 years' experience as a leader in providing light- to medium-weight industrial woven fabrics. Every product we make is made with one goal in mind – a job well done.

Listening to Customers
When it comes to the challenges of critical cleaning, no one knows better than the people who meet them head-on every day. Our product development teams work closely with customers to ensure that our products enhance efficiency and performance, while making the job easier.

The more you know, the better we look:

- Silicone free
- Individually packaged or bulk packed
- Can be private-labelled for re-sellers
- Traceability at the case level
- COC or COA for base material
- Available in various cut lengths and put-ups
- Aerospace grade
- Available worldwide

Contact Us
